PROFILE

I am an enthusiastic, self-motivated, reliable, responsible and hard working person. With interests in graphic, web and product design. As an avid Mountain/Cyclocross/Road rider I've achieved memorable domestic and international results over the years.

Currently studying Creative Technology and Design at the University of Colorado at Boulder within the ATLAS Institute.

WORK EXPERIENCE

2022-06 - Current **Sales & Product Specialist - buythemojo, Boulder, CO**

- » Conducted retail arbitrage to build inventory for resale via online platforms.
- » Picked orders, packed boxes, provided accurate shipping documentation and package labels.
- » Answered customer questions about sizing, accessories, and merchandise care.

2021-09 - 2022-05 **Salesperson - University Bicycles, Boulder, CO**

- » Provided recommendations to clients in alignment with needs, preferences and budgets. As well as expert knowledge on bicycles.
- » Helped customers select bicycles to fit body size and intended bicycle uses.
- » Increased sales and customer satisfaction through personalized servicing.

2021-04 - 2022-07 **COVID-19 - Hauptstadt CrossFit, Boulder, CO**

- » Responsible for reading and sending out the test results.
- » Our team tested hundreds of customers per day and were always very helpful to provide assistance.

EDUCATION

2021-01 - Current **Creative Technology & Design - ATLAS Institute**
University of Colorado At Boulder - Boulder, CO

- » Creative Technology and Design (CTD) is an interdisciplinary major through CU's College of Engineering and Applied Science which combines technological and artistic curricula. Courses are largely project based, encouraging students to learn critical thinking, problem solving, and creative production through firsthand experience.
